

NATIONAL PUBLIC SCHOOL, RAJAJINAGAR
AN OVERVIEW OF THE ACADEMIC YEAR 2021-2022

We are at the conclusion of yet another academic year at NPS Rajajinagar. Despite the continued challenge of the Online mode of education interspersed with occasional Offline classes, exams and practicals (for senior students), we are proud to say that our students rose to the occasion once again, and outshone themselves in both, scholastic and co scholastic fields. We are pleased to update you on some important events and achievements of the academic year 2021-22. And together let us hope, with renewed positivity, for a regular, better and productive year 2022-23.

I would, once again, like to thank you for your constant support for the school. During the challenging two years gone by, your regular and valued feedback was instrumental in the smooth flow of academic and co-scholastic events of the school. Perhaps, this turbulent time, ridden with multiple uncertainties, has made your partnership and bond with us even stronger. You have encouraged us to put in our sustained and best efforts to ensure that your ward strives to ‘Reach Out, Reach High, Reach Beyond.’

As a result of the pandemic Covid-19, education has undergone a paradigm shift, with the teaching-learning process being on digital platforms or in a hybrid format, to ensure the safety of all our students and staff. Despite the newness and uniqueness of the arrangement, all our students of Grades 10 and 12 of the batch of 2020-21, attained 100% results, as computed by CBSE.

School Events 2021-22

NPS Rajajinagar feels proud to state that during the year 2021-22, we extended the new normal of Online education to our co-curricular segment as well, in order to achieve a wholesome teaching-learning experience. Numerous activities and events, including club activities were organized and held successfully on the Online platform, throughout this academic year, for all classes from Kindergarten, right up to the senior-most students of the school!

An array of activities was organised at the Pre-primary and the Primary level. The tiny tots showcased their innate talents in events like Talent Shows, Green day - expressing renewal and life, Colour day - Joy of colours, Fruits and Vegetables Day – awareness about the importance of healthy eating. The year concluded with the Annual Day celebration ‘Life is Beautiful’ that was replete with songs and dances. Events like Little Brigade (Grade 1-5) focussing on Biodiversity conservation, Theme based class assemblies (Grades 1 – 5), Urbanscapes—divulging the shadow of the metros (Grade 3), Sports Day (Grade 5), Talent Hunt-exploring students’ latent talents (Grades 1-5), Book Launch - project on Novel Writing (Grade 4), I Spy Science-exploration of science concepts through activity-based learning (Grade 5) and Reflexionz- recognising students’ achievements (Grades 1-5) were some of the highlights at the Primary level that witnessed enthusiastic and active participation of the students.

The ubiquitous Young Entrepreneur program by Grade 6 exhibited business skills, including pitching products, raising capital and marketing with great success. Grades 6, 7 and 9 took part in a virtual sports

day, showing their prowess in Athletics. Soulfest (Grades 8 and 9) was an exhibition of student activities in the Visual and Performing Arts platform. R-NPSMUN (Grades 8-12), Timelapse (an interschool Literary fest by students of Grades 11 & 12) and Percipere (an interschool Commerce fest conducted by Grades 11 & 12), saw exciting participation.

Besides these, Environment Day, International Yoga Day, Investiture ceremony, Independence Day, Republic Day, Sanskrit Day, Hindi Diwas, Teachers' Day, Science Day, Children's Day and Christmas were celebrated throughout the academic year with enthusiasm, as is customary every year, albeit online. The students were assured of a variety of activities throughout the year.

Summer Vacations and Dates of Re-opening

The school will remain closed from 1st April 2022 for the summer vacations. The detailed schedule of the re-opening of the school is as follows:

Class	Date
Class 1 to 8	Wednesday, 01 June 2022
Class 9 to 12	Monday, 23 May 2022
KG 1	Friday, 10 June 2022
KG 2	Wednesday, 08 June 2022
Montessori (Freshers)	Wednesday, 15 June 2022
Montessori (Juniors)	Wednesday, 08 June 2022
Montessori (Seniors)	Wednesday, 01 June 2022

These dates are subject to change based on the Government notification at that time.

Textbooks and Notebooks

A large number of parents have expressed their concern and predicaments in organizing textbooks and other materials well in time. We have made arrangements for books and materials from different agencies and will distribute them to the students in order to avoid any academic hitch when the school re-opens. The prescribed cost and schedule of issue of books will be notified to the students separately.

Application for Transfer Certificate

We have tremendous pressure from parents seeking admission to NPS Rajajinagar, both from India and abroad. In this context, it would be appreciated if parents who are planning to withdraw their wards from the school for the next academic year could inform us of the same, latest by Monday, 14 March 2022. You may download the application form “annexure F” from the school website (under Resources) to submit the same at the school Bursary.

Online fee payment for the academic year 2022-23 will be on your Acadamis portal from 21st March 2022.

We have successfully come to the end of an academic year that has without doubt, proved to us how much we can achieve as parents, students and educators. It has definitely been an indicator of the strength that is intrinsic to us. I would like to convey my very best to you for the summer vacation. Do stay safe and I wish you all good health. I look forward to welcoming each one of you, refreshed, for what will be another exciting and productive new academic year.

Warm regards

DR K P GOPALKRISHNA

Chairman, NPS Group of Institutions, NAFL and TISB
