

SI No	Title of the Workshop
1	Active learning Pastoral Care
2	Adolescent Education Programme
3	Architecture and Design Pre-Requisites
4	Aroma Therapy
5	Assemble Learner & Staff With Team
6	Azure Architecture Services
7	Behaviour Management, Writing LP's
8	Benefits Of Using Cloud Services
9	Bite Size- Managing Parents
10	Bitesize - 8 Methods of Resolving Conflict
11	Bitesize - 8 Dimensions of Wellness
12	Bitesize - 9 Principles of Becoming An Effective Leader (only HOD's)
13	BiteSize - Art Integration
14	Bitesize - Conflict resolution
15	Bitesize - Emotional Contagion
16	Bitesize - Law of Attraction and Magic Wand
17	Bitesize - Negativity Bias
18	BiteSize - Recharge and Reignite
19	BiteSize - Step It Up
20	Bitsize - Difficult conversations
21	BlackSwan - Advancing Your Career Through Professional Development
22	Build Digital Learning
23	Build Reading & Fluency With Reading Coach
24	Build Social & Emotional Skills
25	Build Strong Student Teacher Connection
26	Canva
27	Cash flow statement introduction
28	Centre for Excellence Disaster Management
29	Clean, Transform and Load Data In Power BI
30	Collaborate With Colleagues & Staff
31	Collaborative Learning, Assertive Communication
32	Create Classroom Communities
33	Create Microsoft Power Platform Solutions
34	Cyber Security
35	Cyber Swachhta And Digital citizenship
36	Cyber Threats
37	Defence against Cyber Threat
38	Deploy Admin Linux Virtual Machine On Azure

39	Describe Cloud Computing
40	Describe Cost Management In Azure
41	Describe The Embedded Experience of Microsoft Security
42	Design A Dream Destination Using Micro Co-Pilot
43	Development Of Video Resources
44	Differentiate In The Classroom
45	Digital Initiatives for Transforming Education
46	Digital Learning Hub With Teams
47	Digital Story Telling With Microsoft Sway
48	Diksha
49	Disaster Management
50	Dyslexia- Empowering Educators
51	Dyslexia- Social and Emotional Skills In Class Room
52	Effective Empathetic Communication
53	Embark AI Journey
54	Emerging Concerns In Cyber Space
55	Empower Educators To Explore AI
56	Empower Every Student
57	Empower School Leaders & Tech Savvy Educators
58	Enhance School Communication & Collaboration With Microsoft Teams
59	Enhance Security Operations: Co-Pilot
60	Enhance Teaching & Learning With Microsoft 365
61	Enhancing Mathematical Competency Through AI
62	Ensuring Integrity And Ethical Conduct In Classroom
63	Explore Benefits Of Becoming A Trainer
64	Financial Literacy GST - Complete Guide
65	Financial safety
66	Fundamental Concept of AI
67	Fundamentals of Azure AI securities
68	Fundamentals of Computer vision
69	Fundamentals of Facial Recognition
70	Fundamentals of Machine Learning
71	Gemini Academy - Transforming Teaching and Learning with Gemini
72	Get Started Building With Power BI
73	Get Your Class To Like You
74	History & Vision , Our Culture
75	Hybrid Learning In The Primary Classroom
76	Immediate Care for Psychological Events And Emergencies
77	Integration Of Virtual Labs In Teaching Learning Process
78	Introduction To Generative AI

79	Introduction To Machine Learning
80	Introduction to Microsoft Power Platform
81	Lead Forward Integrated Strategies
82	Learning Centres
83	Learning Through Art Integration
84	Leveraging Digital Tools & AI Strategies In Language Teaching
85	Levering AI for Transforming School Education
86	Logical Q.Framing
87	Logiqids - Advanced Strategies For Teaching Logical Reasoning
88	Logiquids- Logical Learning
89	Madhuban- Logical Q Framing
90	Master Microsoft Team Learning Environment
91	Micro Learning of Nano courses
92	Microsoft Education Trainer Academy
93	Microsoft Tools
94	Mindler-Career Coaching
95	Narrative Writing
96	New Teacher Induction training
97	NIMHANS- Sneha Society For Counselling
98	Online Training On Emerging
99	Onsite Training - Time management
100	Organise Content Create Assignments
101	Overview of AI
102	Pedagogy Community - Reading Strategies For Formative Years
103	Perform Device Investigation
104	PLC- Professional Learning Practices
105	POCSO
106	Power Of Audio In Education
107	Q- Shala; Advanced Teaching Strategies
108	Question Paper setting
109	Questioning Function Technique
110	Safety in Cyber Space
111	SASHA Child Safety
112	Secure your Cloud App & Service
113	Shifting Towards Competancy Board
114	Social Media Safety
115	SPL _ LSRW
116	SPL _ Reflective Teacher
117	Stay Connected With Remote Learning
118	Summarise And Simplify Information

119	Support Social & Emotional Learning
120	Teaching Learning Process
121	TGiF - MY - History (Topic - River valley Civilization)
122	TGiF - PY - English (Topic - The Champion of Quiet)
123	TGiF - PY - Kannada (Topic - Hubbagalu)
124	TGiF - SY - Accountancy (Topic - Cash Flow Statement)
125	TGiF - SY - Physics (Topic - Gravitation)
126	TGiF MY - Algebraic Expressions
127	The CBSE Capacity Building Program on Disaster Management
128	The Champions Of Quiet Literature
129	Time management
130	Training in First Aid
131	Translate Text Speech
132	Use Of AI For Every Day
133	Virtual Lab As Teaching Tool
